

### Reading Totals

At the Arbours children are expected to read a minimum of +5 times a week out of school hours.

A class of 30 children should collectively read at least 150 times per week.

As parents are part of our team, please support us and encourage your child to read at home.

**Head teacher's Blog-** This week we welcomed Mrs Pinnock and Mrs Molloy, two new teachers who will be joining us next year. They both commented how well behaved and polite the children were and what a positive atmosphere they felt in our school!

The Leavers Disco on Thursday was a success and the children enjoyed the photo booth and dancing the night away.

Thanks you to Mr Warren for organising our re-scheduled sport day. The children showed great attitudes and friendly competition which makes me very proud of them! Next week is 'Move Up Stay Up.' The children will meet their new teacher for all (or in some cases part) of the week. Please feel free to chat to your child's new teacher at the end of the school day.

Have a great weekend,

Angela

**Reception:** Hi everyone! Last Friday was an exciting day for the children meeting Mayor Naz of Northampton! They asked some really good questions of him and after we went outside to see his fancy car complete with chauffeur! They were in their element! We also had another visitor - Mrs Spronson the children's new Year One teacher! It was a lovely opportunity for the children to spend time with her! We are thinking about next week when the children go to Year One for Move Up Stay Up - they are very excited about this! We've been brushing up on our letter and number formations, using the Year One's paper formats to practise! We've been having lots of fun too, playing games and being creative - enjoying our time together! We've had our last vote for class prime minister - well done Olivier for getting most votes! What an amazing year we've all had together!

**Year 1:** This week year 1 have had a fun time helping a knight prepare for battle! They have designed his armor and shield and written him a good luck card! We wish year 1 all the best for moving into year 2!

**Year 2:** We have had a fantastic last week with year 2 and the children have been working really hard. In maths this week, the children worked on a project planning and budgeting to create their own gardens. In English, the children worked on writing another brilliant news report, this time based around a story we shared together. The children all looked amazing dressed up as sportspeople on Friday and they tried really hard on sports day, showing some amazing team spirit and sportsmanship. Well done year 2! We hope you have an amazing time in year 3 during move up stay up, good luck!

**Year 3:** This week in year 3 we have had lots of fun! We had a fantastic Sports Day (thank you to all those parents who came out and joined us). We also conducted our own experiments based on the water cycle, you might be able to see these in the classroom windows. Good luck everyone with your transition week, you will all be fabulous!

**Year 4:** Year 4 have had a fantastic last week together. The children have been their usual fabulous selves and have worked extremely hard in their lessons. We have been lucky enough to experience growth mindset workshops through drama as well as an RE day event. We have also had some treats to celebrate our fantastic attitudes to Year 4. We hope the children have all enjoyed their time with us, and we look forward to seeing how they get on in Year 5. Good luck everyone!

**Year 5:** Our last week as Year 5 has been absolutely jam packed! We have had an RE afternoon where we looked at miracles and explored a bible story from the different character's points of views. We have had a drama workshop all about Growth Mindset in preparation for Year 6 where we looked at different scenarios and worked out how we could deal with them. We have also written our incredible warning tales showing off all of the skills we have acquired over the year and we have completed our science and history topics! We would like to say an enormous thank you for the support you have given us throughout the year and we would like to wish all the children good luck next week with their new class teachers. If you all continue working as hard as you have done this year than you will have a very successful year.

**Year 6:** We really hope all the children enjoyed their visits to Secondary School. This week we have been practicing our performance ready to show you and the school next week. Remember the 'end of year performance' that will be on the 18th July from 2:15pm until 3:15pm. We have also enjoyed some reading, maths and PE to end the week. We look forward to seeing you next week at our performance.

### School Values

Aspiration, Ambition, Courage and Respect  
#BeAmazing@TheArbours

### AFTER SCHOOL CLUBS

There will be no after school clubs on MONDAY 22ND JULY  
There will also be no after school clubs on the first week back in September (WEDNESDAY 4th, THURSDAY 5th and FRIDAY 6th)  
Please make sure all children are **collected at 3.30pm.**  
Miss Jones clubs have been cancelled from Tuesday 16th July– Friday 19th July and will be on as normal from September  
Sorry for any inconvenience caused.  
Thank you,  
Mrs Hynda

### HOLIDAY CLUB

Holiday Clubs are running at The Arbours on the 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> August.

If you are interested in this please book via the link below.

# Reception places

Just to let you know, we still have spaces in reception to start in September 2019.

Please contact school admissions if you are interested in your child joining us at The Arbours!

### Thank you!

A big thank you to everyone who supported us the past couple of weeks by attending the PTA summer fayre and the KS1 PTA movie night.

Due to your support we managed to raise an amazing **£405.21!**

We hope that everyone enjoyed themselves and we hope to do more events like this more often.

### Dates to remember

#### July 2019

22nd July– Children break up from school

#### September 2019

4th September– Children return to school
