

### Reading

At the Arbours children are expected to read a minimum of +5 times a week out of school hours.

A class of 30 children should collectively read at least 150 times per week.

As parents are part of our team, please support us and encourage your child to read at home.

**Head teacher's Blog-** Move UP Stay Up has been very successful this week and the new teachers are excited for the new school year in September. This is the last newsletter of this school year and I would like to take the opportunity to say goodbye to the Year 6 children and staff who are moving on to pastures new. Thank you to all children, staff and parents who have welcomed me to The Arbours Primary Academy as Head teacher this term. I can honestly say that I have loved my first term and can't wait for next year and making our school the very best it can be!

**Year 1:** Hi everyone!! What an exciting time for the new Year One children spending the week in their new classroom during MUSU!! They've been getting to know their new teacher, and settling into their new surroundings! Their new class name is 'Donaldson' - so what better way to celebrate this name than by reading lots of Julia Donaldson books through the week! We've just been enjoying the last week of term together - making and creating, colouring and playing games! The children have been painting self portraits to put up in their new Year One area - they look fab! I'm so proud of these amazing children and I know they will shine bright in Year One and onwards! Have a wonderful summer all - it's been a pleasure getting to know your brilliant children and yourselves all through the year!

**Year 2:** Miss Spence and Miss Henman are very pleased to welcome to new year 2 children to Blyton Class and Rosen Class. The children have settled in very well and we have got to know each other very well already! This week, we have spoken about our aspirations and ambitions for Year 2 and beyond. We are looking forward to working hard together from September to reach the targets we have set ourselves this week!

**Year 3:** Year 3 have settled into their new class well and have shared their aspirations and dreams for the future, by drawing and writing about them. A lovely week so far, we are looking forward to continuing our journey in September. Well done year 3!

**Year 4:** This week year 4 will be learning about the authors David Walliams and Jaqueline Wilson who are named after their classrooms. Students will create their own biographies at the end of the week on the authors. In Math students will work on number problems involving addition, subtraction, multiplication and division.

**Year 5:** It has been wonderful spending the week with our new classes and getting to know each of the children a little better. We have spent time exploring our new authors and have created some fantastic displays to show off everything that we have learnt about them and the books that they have created. We have also started the audition process for our Shakespeare play "Twelfth Night" and will be giving parts and scripts to those children that are interested in performing in the play. More details will be sent out after the summer holidays with regards to the drama club. Thank you all for working so hard this week. It has been lovely meeting you all and we look forward to seeing you all in September after a well-deserved break.

**Year 6:** This week the children have performed the end of year production to the school and also to parents. We were delighted that so many parents were able to attend, thank you! The production was tricky but all of the children's hard work has paid off as both the school and parents seemed very pleased and proud of all the children. The children have also been recounting their favourite memories of their time at the Arbours as we conclude the final week of their time at the school. We are very proud of the all the hard work the children have put into this year and we wish the children all the very best of luck as they move up to Secondary School.

Best wishes,  
Mr Healy & Mr Warren

## Reception places

Just to let you know, we still have spaces in reception to start in September 2019.

Please contact school admissions if you are interested in your child joining us at The Arbours!

## Good Luck!!!

We have some members of support staff who will be moving on to new challenges and opportunities next term. Mrs Alexander will be moving on to undertake training to become a qualified teacher and we wish her success in this. Miss Marshall is moving on to lead her own swimming school. She will continue to work with the school and provide swimming lessons for us. I hope you join me in wishing them luck for the future and thanking them for their hard work at our school.
